

Glen Rose Medical Center would like to welcome the Texas Master Gardener Association 2011 State Conference attendees to Glen Rose. While visiting our community it is our hope that you will have a pleasant, rewarding experience with all that Glen Rose has to offer. However, should you experience the need for medical care, the Glen Rose Medical Center is nearby and ready to provide you with any necessary medical attention.

Glen Rose Medical Center is a unique rural health care campus with a continuum of care to meet your needs. More recently the medical center completed a \$ 14.5 million expansion that included a fully staffed Emergency Room with 11 treatment rooms to support the Level IV Trauma certification achieved in 1998. Additionally, the expansion program included an extensive update of the Radiology imaging department, and Laboratory department for a wide range of diagnostic capabilities 24 hours a day.

Physicians are located on campus that includes 5 Family Practice physicians, an Internist, and an Orthopedic Surgeon all of whom are Board Certified.

Again, it is our hope that your stay is a safe and enjoyable experience and should you need medical care Glen Rose Medical Center is here for you or your family's medical needs.

Additional information is available on our website www.glenrosemedicalcenter.com.
